TRAFFIC ADVISORY

I-85 Reduced to One Lane from May 15 to May 23

One Lane of I-85 North Approaching Exit 11 to be Closed for Bridge Repairs

MONTGOMERY – A short section of Interstate 85 North approaching Exit 11/Chantilly Parkway will be reduced to one lane for bridge repairs beginning at 10 a.m. Thursday, May 15, through Friday, May 23.

The northbound right lane over the railroad bridge approaching the Chantilly Parkway interchange (Exit 11) will be closed for bridge deck repairs. Advanced signage on the interstate will advise traffic to merge to the left lane.

For the safety of workers and those passing through the work zone, a 50 mph speed limit will be in effect with ongoing speed enforcement efforts.

Local traffic is urged to seek alternate routes for faster local commuting. Northbound through traffic will experience delays during the afternoon peak travel period from 4 to 7 p.m.

ALDOT's mission is to provide a safe, efficient, environmentally sound transportation network across Alabama. For further information, visit www.dot.state.al.us.
